Mark Warmoth  
Founder & CEO of Weekend Warrior

**NOT JUST ANY TOY HAULER**

*The Original Since 1988*

**ACCEPT NO SUBSTITUTES**

Weekend Warrior Toy Haulers is not just any toy hauler brand, it's the original! Weekend Warrior is a movement born where past legacy meets tomorrow's innovation. Our mission is to be the leading innovator by pushing boundaries, incorporating the latest technologies with cutting-edge designs, and providing the ultimate user experience.

When it comes to toy haulers, one name and one brand stands out from the rest - Mark Warmoth of Weekend Warrior. When Weekend Warrior was started in 1988, it maintained its status as the #1 toy hauler brand for 20 years consecutive. Through relentless innovation driven by using the product in off-road conditions, Mark redefined and pioneered toy haulers in the RV Industry. Unrivaled by no other competitor, Weekend Warrior created a market segment that did not exist.

The Warrior Team, led by Don Day, has a vast history of creating cutting edge, innovative products. Weekend Warrior will continue to do so for many years into the future meeting the ever-changing needs and desires of our active, bold, and fearless customers. You can count on us at every turn!

Don't be fooled, there is only **one** Weekend Warrior!

## THE WARRIOR PROMISE

We promise to build trailers that exceed your expectations, only doing business with other companies and people who do the same.

We promise to keep innovating and refining the products, making them more affordable and dependable, and retaining the highest resale value.

We promise to build a quality product. Weekend Warrior hand-crafts affordable, comfortable, and dependable toy haulers; maintaining Warrior's signature attention to detail and style.

Fueled by a burning desire to build the best toy haulers, we focus on the things that make your outdoor experience better.

# BUILT FOR THE WEEKEND

The weekend should be about fun and good times! Why shouldn't you be able to take your toys? Weekend Warrior builds toy haulers for exactly that reason!
