TAKE ALL THE ROOM YOU WANT

Zanzibar's living area is well-designed, spacious and comfortable. Everything serves a purpose and every element is carefully selected. The seating is incredibly comfortable and inviting. Upholstery is beautiful but tough enough to withstand the rigors of your travels. Sculpted carpeting is soft and plush but not so delicate that you worry about a spill. An overhead entertain-

ment center is perfectly positioned for movie viewing or catching the news. Perhaps best of all, you have more living space than ever – the 2003 Zanzibar features an even deeper slide-out, adding more square feet of living area.
