Denali offers three distinctive interior color packages from which to choose; Saddle, Espresso and Sunset, which allow you to select your own style. No matter the choice, you'll appreciate the quality of Denali's floor coverings, upholstery, window dressings and hardwoods.

Flooring establishes the atmosphere of your living space, and our Ibiza-patterned Beauflor® cushioned vinyl floor covering really sets the tone. It offers excellent sound-absorption qualities and wear resistance, provides warmth and comfort underfoot and it's beautiful.

Whether you have kids, pets, or just a sloppy husband, you're sure to appreciate our stain-resistant, easy-care fabrics. Solid cherry cathedral cabinet doors are attractively finished with a soft glaze, and are equally easy to care for, as are our solid-surface countertops.

All in all, we think you'll be more than pleased with the efforts of our in-house design group. Stop by your local Denali dealer today, and discover for yourself
