

# Sightseer

**WINNEBAGO**<sup>TM</sup>

## *Why Sightseer?*

- Three innovative floorplans
- Available powered StudioLoft™ drop-down bed
- Ultraleather™ swivel cab seats
- MCD solar/blackout roller shades
- Choice of queen or king bed
- Corian® countertops with decorative backsplash
- Leveling jacks with 3-position controls
- Powered patio awning with LED lighting and metal wrap
- Electric fireplace (35G, 36Z)
- Full-body paint with high-luster clear coat finish

On the Cover: 35G Scarlet Full-Body Paint

35G Mountain View with Coffee-Glazed Vienna Maple Cabinetry

## Take the Scenic Route

The Sightseer® invites you to open your eyes to great value and good times in Class A comfort. Three floorplans deliver your perfect living experience built to Winnebago's® exacting standards. LED ceiling lights bring energy efficiency to a coach already loaded with premium features such as Corian® countertops, MCD solar/blackout roller shades, and

Ultraleather™ cab seats. The 35G delivers exceptional travel flexibility with the inLounge™ extendable sectional sofa and movable inTable™. For additional sleeping space, add the StudioLoft™ drop-down cab bed to any floorplan. Make time to take the scenic route in the family-friendly Sightseer.

**Recognized Quality** The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

## Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

The **Dash Workstation** is the perfect place to plan your trip.

The **inLounge™** becomes exactly what you need it to be; a sofa, dining seating, or an additional space for sleeping.

Kick back and relax in the Ultraleather™ hoop-base **Recliner** with a built-in footrest. It reclines, swivels, and can be moved to your favorite spot when you're not traveling.

With three feature-rich floorplans, it's easy to customize the Sightseer lounge to your preferences. Whether you want an available Rest Easy® sofa (33C, 36Z) or an inLounge™ with a comfortable electric fireplace (35G), there's an arrangement to perfectly suit your style. At the end of a long day, relax in front of an HDTV that is connected to a DVD stereo system.

You'll enjoy preparing meals and snacks in this comfortable galley with popular amenities such as a three-burner range top, a microwave/convection oven, and a large, four-door refrigerator/freezer with an icemaker. The pantry (33C, 36Z) and full-extension drawer slides provide an abundance of storage space, while the Corian® solid-surface countertops and matching sink covers offer plenty of space for food prep. There's even a decorative galley backsplash for added style.

35G inLounge With inTable

35G inTable Storage

The Sightseer offers plenty of dining arrangements. Choose from an elegant, extendable Glide & Dine dining table/buffet and chairs with a retractable HDTV (33C), or the BenchMark® dinette (36Z). For a more relaxed setting, choose the extendable inLounge® with movable inTable™ (35G).

35G Bedroom

Unwind after a long day on your walk-around queen or available king bed, and enjoy the standard HDTV. With a chest of drawers (35G) and spacious wardrobe with additional storage, you'll have plenty of space to store your traveling necessities.

35G Shower

35G Bedroom HDTV

35G Bathroom

35G Wardrobe

Dash

Pilot your Sightseer with confidence thanks to the easy-to-read controls, rearview color monitor system with 6" touchscreen, and the six-way power Ultraleather™ driver seat. Your co-pilot will be pleased with the extra space provided by the dash workstation, and you'll have hours of entertainment on the road with the iPod®/MP3 input and available SiriusXM™ satellite radio (subscription not included). Both cab seats swivel to face the lounge area to enhance your living space while parked.

# Sightseer Exterior

**WINNEBAGO**<sup>®</sup><sub>IND</sub>

Experience greater outdoor enjoyment with the powered patio awning with LED lighting and metal wrap, and the available exterior entertainment center with an HDTV. Your gear is easy to access with the StoreMore<sup>®</sup> slideout storage system (featured on the 33C), while the single-paddle latches on the doors make for easy one-handed operation. A color-coded exterior service center and automatic hydraulic leveling jacks with three-position controls make hookups quick and easy.

Stylized Aluminum Wheels

## Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

## Rubber Can't Cut It

Rubber roofs used by competitors can streak and degrade over time.

## Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable, and lightweight sidewalls.

**Embedded Steel** Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

**Laser-Cut Tubing** Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

**Interlocking Joints** Specially engineered interlocking joints connect the floor, sidewalls, and roof where competitors often rely on simple screws to bear the weight.

**Solid Framework** Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

**E-Coating** An electrodeposition coating helps protect critical steel components.

# SUPER STRUCTURE<sup>®</sup>

B U I L T   T O   L A S T

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

## TESTING

Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

## DETAILS

At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

## BUILT IN-HOUSE

We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER  
STRUCTURE**  
BUILT TO LAST

36-month/36,000-mile limited warranty on structure<sup>8</sup>

10-year limited parts-and-labor warranty on roof skin<sup>8</sup>

### FOOTNOTES

- <sup>1</sup> The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.
  - <sup>2</sup> The floorplans feature a wide-body design – over 96" in making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
  - <sup>3</sup> The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
  - <sup>4</sup> Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
  - <sup>5</sup> Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
  - <sup>6</sup> Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
  - <sup>7</sup> See separate chassis warranty.
  - <sup>8</sup> See your dealer for complete warranty information.
- NA Not Available
- Not all items available in combination. See dealer for details.
- Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.

WINNEBAGO HAS A STORY AND WHAT A STORY IT IS

## Looking Back

Take a Drive Down Memory Lane  
Our favorite history topics in the American heartland of Forest City, Iowa, were here 100 years ago. Preserving and building high quality, eye-catching recreation vehicles. Here's our story between the pages.

1 of 18

## Tell us your story

The story of Winnebago is about the people who love our products and take their wild enthusiasm on the road. Now we want to hear those stories—your stories. Please, do tell. We promise we'll read every word. All story submissions will receive a Crew T-shirt. Additional bonus: If your story is posted to the website, we'll send you a vintage-style Crew T-shirt. Read more about The Crew below.

WRITE YOUR STORY READ ALL ABOUT IT

## Join the Crew

Show Your Pride  
We're looking for a few good men and women on both coasts. We want you everywhere to join The Crew. If you love Winnebago motorhomes and want to show it, you're in! Submit your photos and photos to become part of The Crew.

## See How Far We've Come

MOVE THE SLIDER TO SEE THE EVOLUTION

## Then & Now

The Crew is Back  
In the 1950s, the first Winnebago was built. It was a simple motorhome with its own kitchen and bathroom. Today, it's a full-on motorhome with all the amenities you could want. See the evolution of Winnebago motorhomes.
