The Light's powered stabilizer jacks and power tongue jack make setting up at your next campground easier than ever before. Which means, you'll have more time for fun and relaxation.

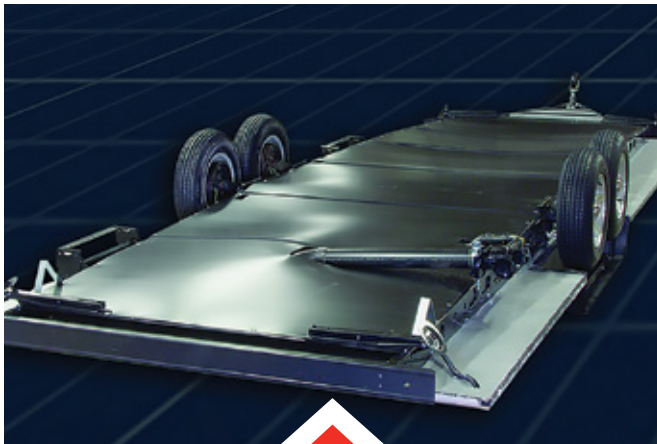

Coleman Cavern Pass-Thru Storage with Slam Latch Baggage Doors

Each of our Coleman Light travel trailers offers cavern pass-thru storage with slam latch baggage doors to ensure you have room for all the essentials you bring aboard, plus secure and easy access to it all.

Sleek, Fiberglass Front Cap with LED Accent Lights

Coleman RVs make a great first and lasting impression. And the Light is no exception with its sleek, fiberglass front cap, complete with LED accent lights. Aerodynamic and stylish, the trusted name in camping proves once again why it's the brand travelers will remember.

Fully-Enclosed Underbelly

With a fully-enclosed underbelly, all vital functions are kept out of the elements, which helps ensure critical lines don't freeze and that unforeseen bumps don't damage sensitive systems. Plus, this extra layer of protection means you can travel further into the year.

80" of interior ceiling height make this lightweight camper a great place to escape to when your day of exploration is over. Fellow travelers, short and tall, will appreciate the spacious atmosphere the Light brings along for the trip.

Residential 60x80 Queen Bed with Maximized Storage
